

# EUROPEAN ARMWRESTLING FEDERATION

Brussels, 5 August 2009.

**To Mr. V. PETRENKO**, President of UKRAINIAN ARMSPORT FEDERATION,

This letter is to inform you about the decision of EAF Doping Control Committee after anti-doping test during European Armwrestling Championship (1-7 June 2009) in **Sofia, Bulgaria**.

Mr. **OLEKSIY SEMERENKO** / UKRAINE was controlled on 5 June 2009.

The test result is **positive**.

Information provided in accordance with the World Anti-Doping Code:

Athlete's name : **Oleksiy SEMERENKO**

Country: Ukraine

Sport: Armwrestling

Type of test: In-competition

Test conducted: 5 June 2009

A-lab finding: CLENBUTEROL and 11-NOR- $\Delta^9$ -TETRAHYDROCANNABINOL-g-CARBOXYLIC ACID were found.

Sample code: A 1852674

The sample A 1852674 contains CLENBUTEROL and a metabolite of CANNABIS.

### **Conclusion** :

The findings are consistent with the administration of the prohibited substance **CLENBUTEROL** (S1.2: Anabolic agents: other anabolic agents and S3: Beta-2 agonists) and **CANNABIS** (S8.Cannabinoids).

### **The initial review showed that**

- there are no irregularities undermining the validity of the finding;
- there is no TUE granted for this athlete.

### **Based on the information above,**

- the athlete has been notified about the Adverse analytical finding;
- the athlete was informed about the provisional suspension.

The athlete (via his National Federation) has waived his right for a B-sample analysis and a fair hearing.

### **Decision was taken about this case:**

- **TWO years suspension from any WAF, EAF, international, national or local armwrestling event or preparation to these events;**
- **This suspension is also valid for all sport disciplines, all over the world;**
- **Disqualification for the 2009 European Armwrestling Championship;**
- **Removal of the medals (Left and Right Arm).**

The suspension will start on 1 August 2009 and will end on 31 July 2011.

After the end of suspension period, the athlete will be submitted to doping test at his first European or World championship.
